1. Place the tabletop upside down on a flat surface with a protective layer underneath to prevent scratches. Align the table legs with the mounting points, insert the screws, and tighten them securely with a wrench.

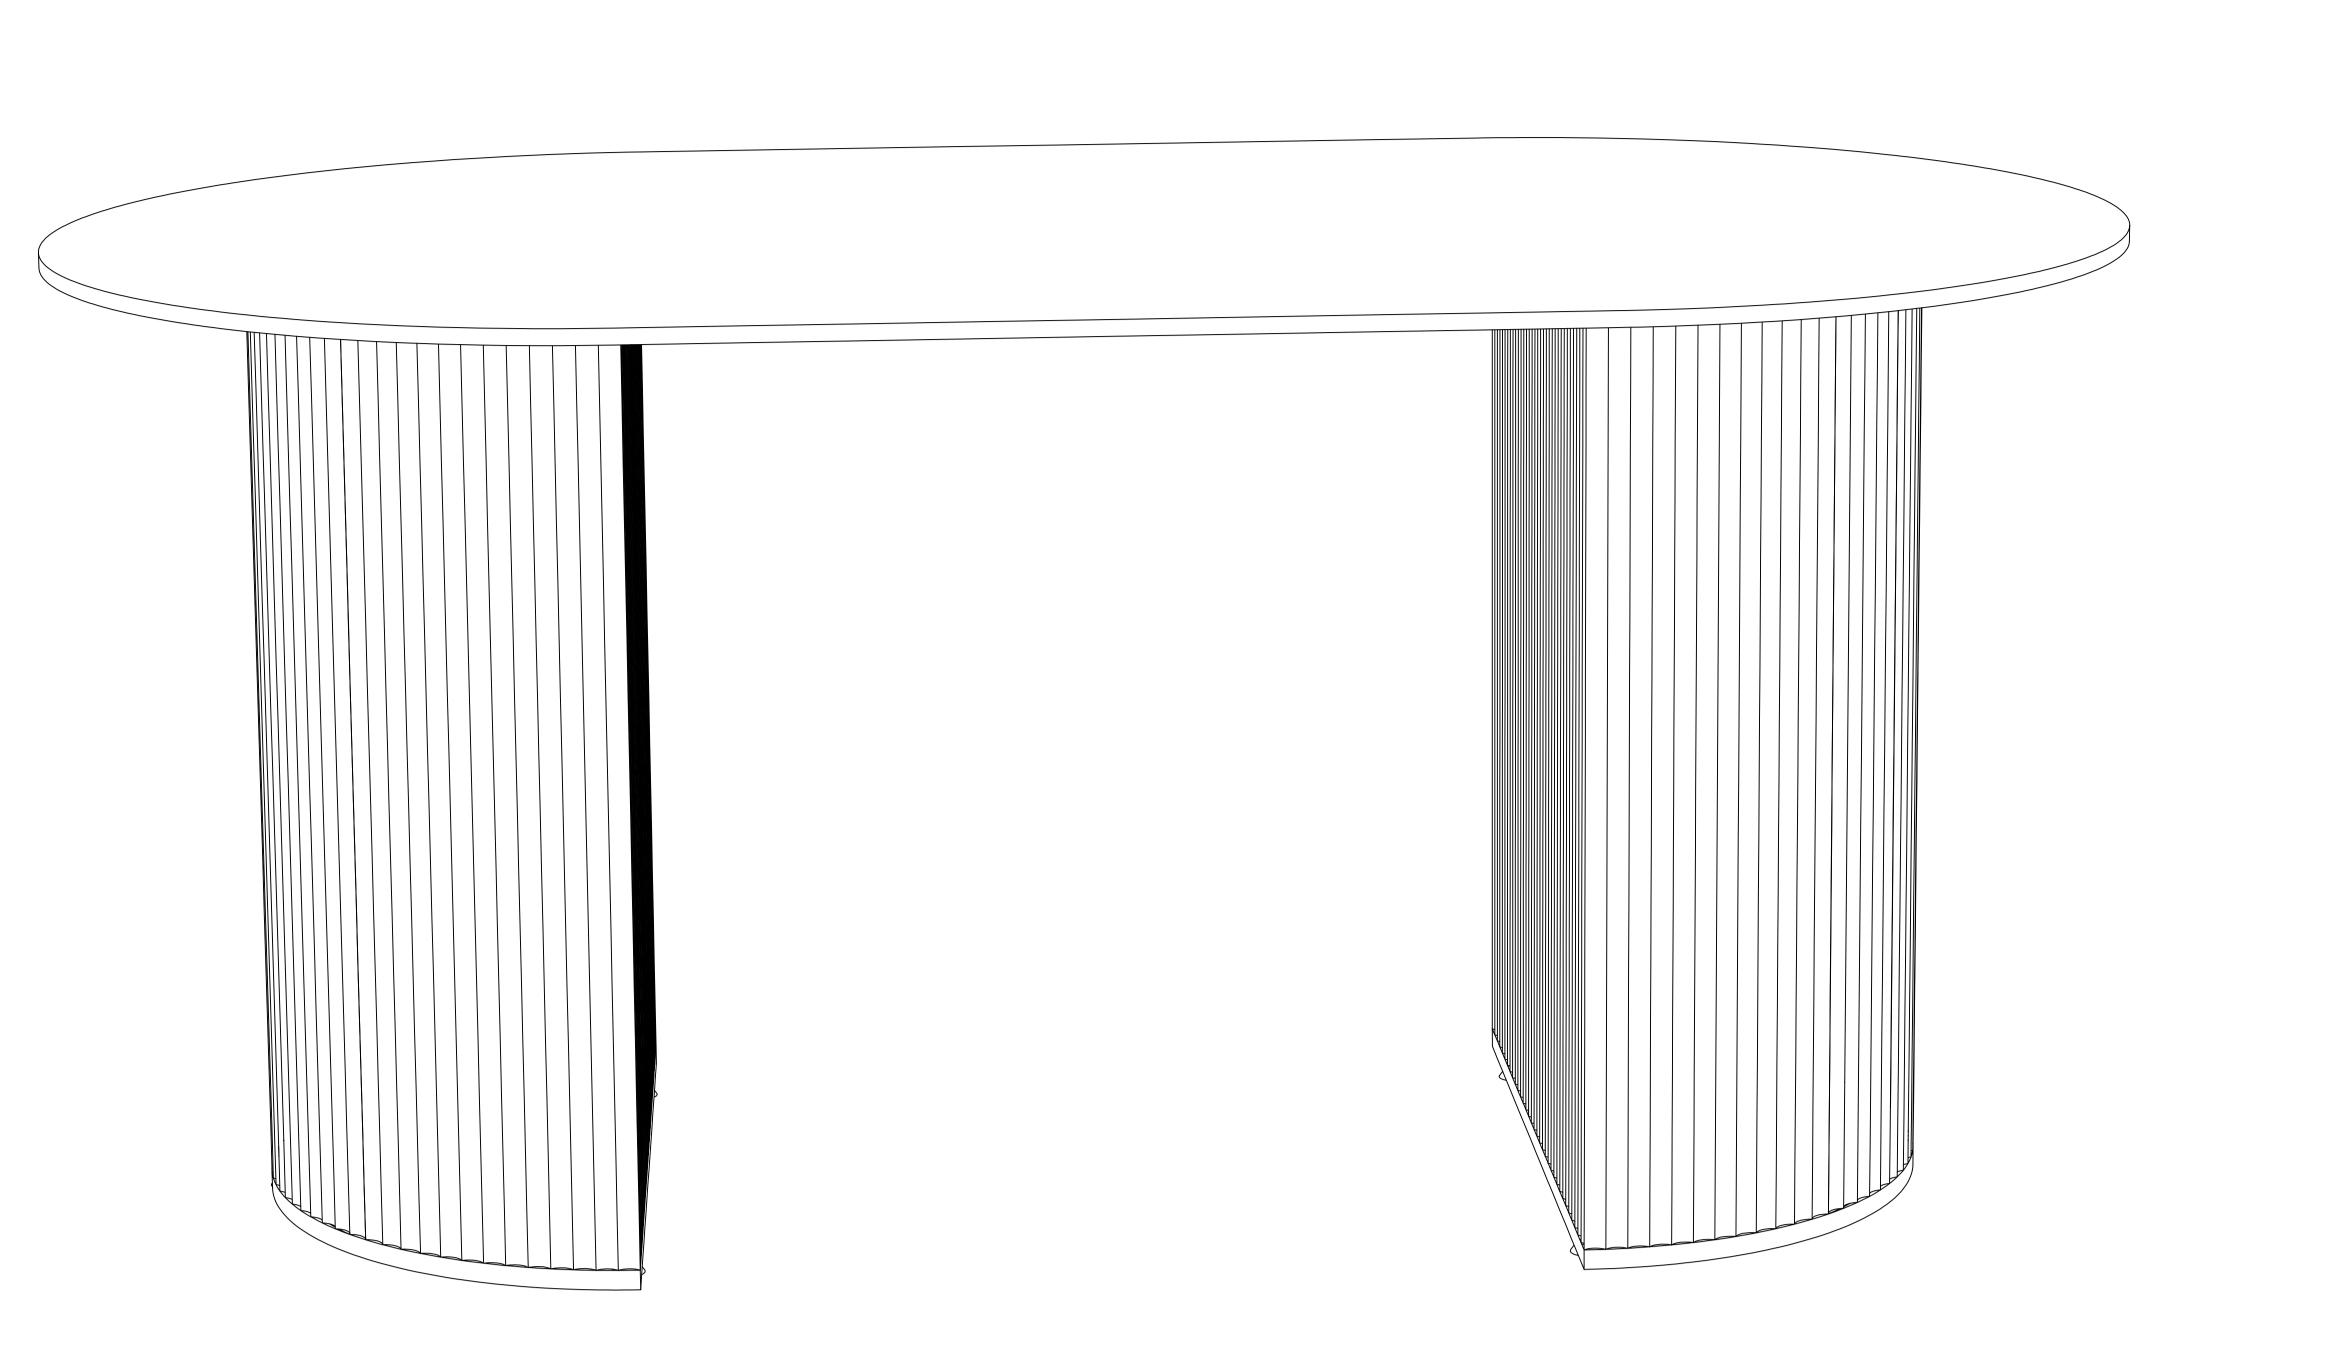

Spare Holes (Hexagon socket machine screws holes can be screwed into the use of Self-drilling screw when damaged)

2. Once the legs are attached, carefully flip the table upright with at least two people. Installation complete.

Assembly instructions

DT8074AW160 Installation
The number of people needed for installation: 2

- Please read the manual carefully before installing this product. And strictly follow the installation process
- ② Please take good care of this manual for your next installation
