

1. Position the support frame in the corresponding location on the bottom board of the vanity. Insert the self-tapping screws and tighten them with a Phillips screwdriver. (The support frame can be installed on either end, depending on your needs.)

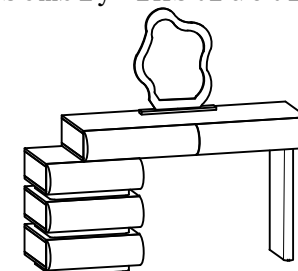

2. Place the vanity cabinet and mirror in their designated positions on the vanity table.

3. Installation completed

Assembly instructions

VB8067 Installation

The number of people needed for installation: 2

- ① Please read the manual carefully before installing this product. And strictly follow the installation process
- ② Please take good care of this manual for your next installation
- ③ Note: Before installation, screw all the screws to 1/2 of the length of the installation. After all screws are half screwed in, tighten them all together.
