Before You Begin...

①Check Your Order:

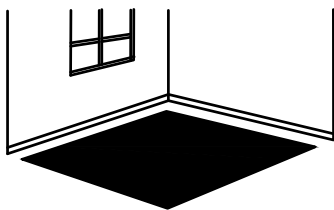

Ensure all boxes have arrived in good condition before starting.

②Two-Person Assembly:

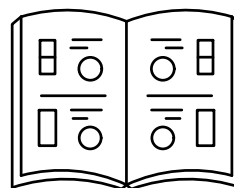

Heavy items require two adults for safe and easy assembly.

③Prepare Your Space:

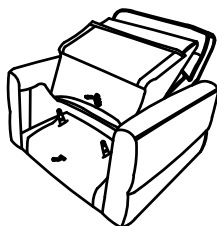

Clear sufficient space for assembly and protect your floor with a mat or cardboard.

④Read & Organize:

Read all instructions carefully and verify all hardware types and quantities against the list.

⑤Inspect Components:

Inspect all sofa connectors and brackets for damage, deformation, or missing parts prior to assembly.

Friendly Reminder:

If you encounter any issues during unboxing or assembly, please contact us at any time.

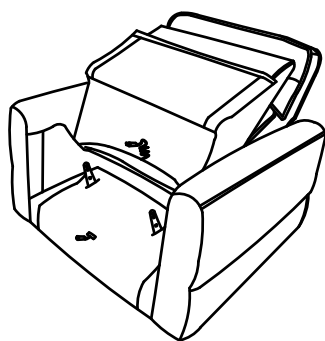

Packaging List

- ▲ The package contains all necessary parts and hardware for assembling your power recliner sofa.
- ▲ Please assemble the sofa according to the instruction. Ensure all connectors and components are fully connected BEFORE plugging into a power source.
- ▲ Check all parts against the hardware list before discarding any packaging.
- ✉ If any parts are missing or damaged upon delivery, please contact us for an immediate replacement.

Main Components

①Armless Seat Module

Qty: 1 Pcs

Hardware & Parts List

Item	Illustration	Name	Spare Qty
A		Non-slip Pad(s)	5 pc

IMPORTANT NOTICE

Assembly requires two adults.

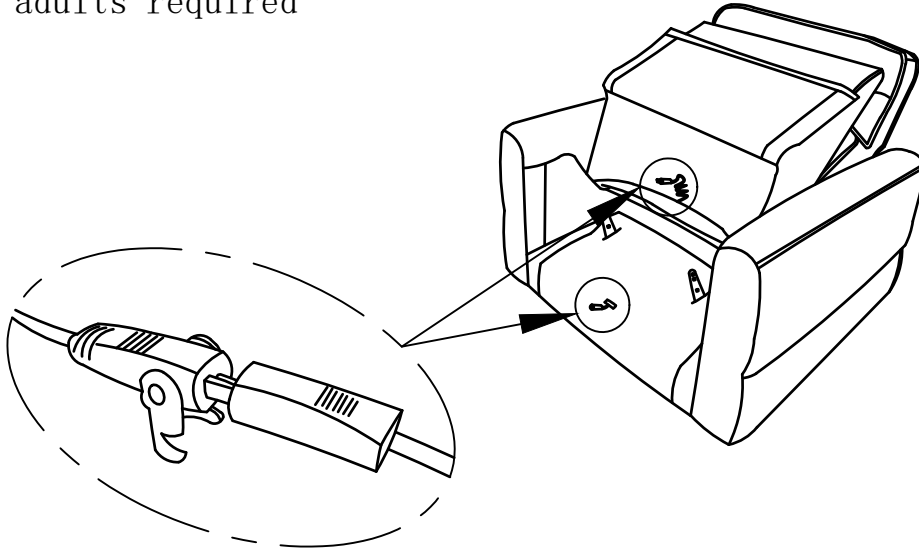

This helps prevent personal injury or product damage during assembly.

Step-by-Step Assembly Guide

Step 1

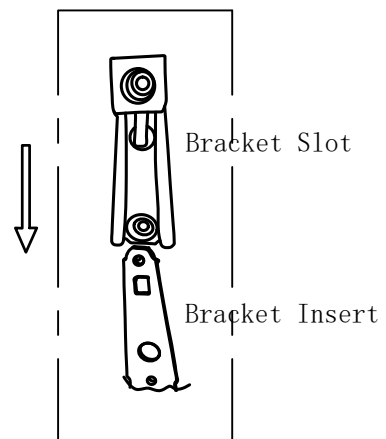

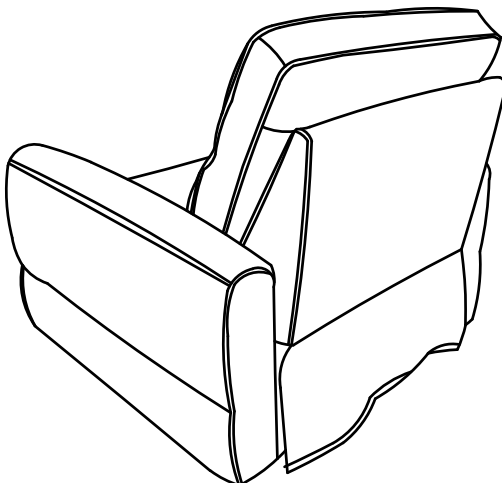

Step 1: Align the connecting plugs on both side frames with the sockets on the seat base. Connect the power cord at the bottom to power on, and the armrest switch buttons will be ready to operate.

 Two adults required

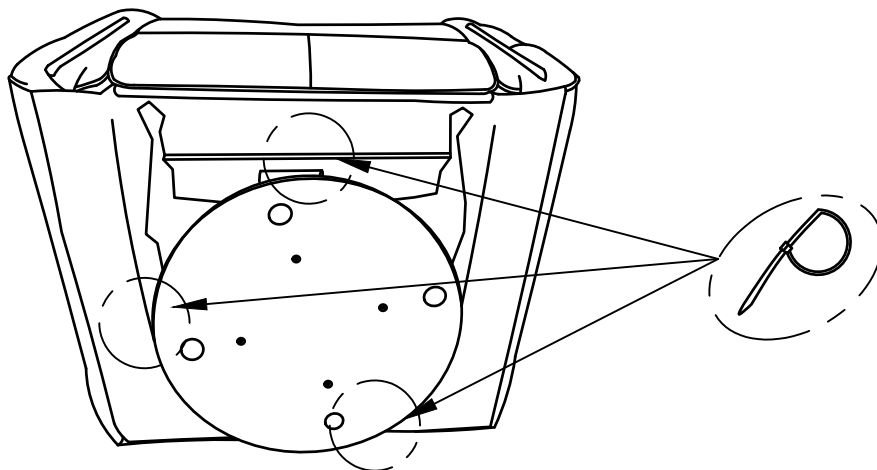

Step 2

Step 2: Align the bracket slots with the insert brackets on both sides, then push down firmly on both sides simultaneously until you hear an audible click.

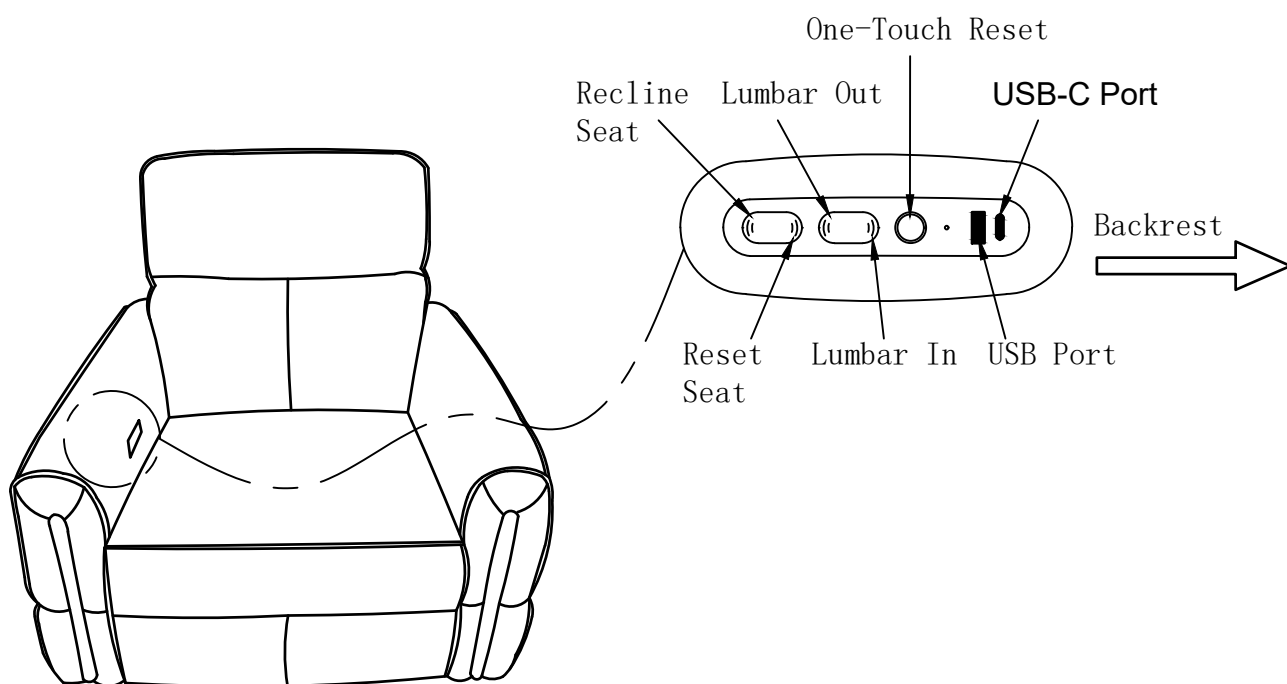

Step 3

Step 3: Cut all white zip ties on the bottom base to allow full movement of the mechanism.

Step 4

Assembly Complete.

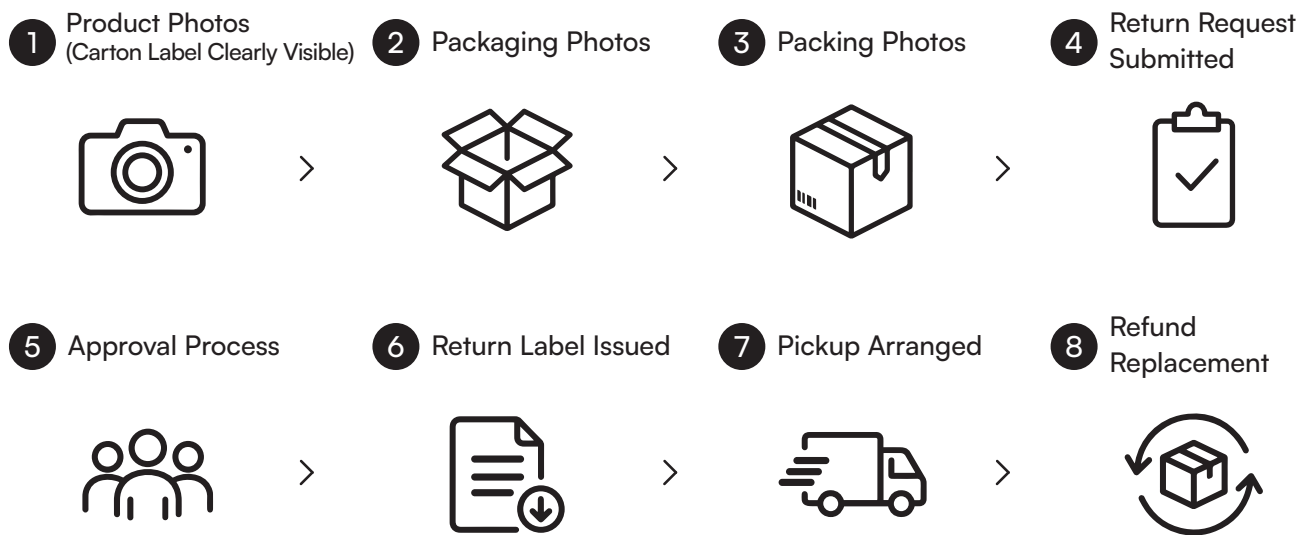

Fabric Care & Maintenance Guide

- Dust and vacuum regularly. Keep the sofa in a dry, well-ventilated area.
- Avoid prolonged exposure to direct sunlight or heat sources to prevent fading, aging, or cracking.
- DO NOT drag, slide, or stand on the sofa. Always lift it from the base when moving.
- DO NOT use alcohol, disinfectants, harsh chemicals, or abrasive cleaners.
- Keep away from sharp objects, and protect the upholstery from pet scratching or chewing to prevent surface damage.
- Reclining angle: approx. 130 degrees. Weight capacity: 330 lbs (150 kg).

Return Process

8 Easy Steps

Helpful Tips

Keep all original packaging and accessories.

Ensure the item is properly packed before pickup.

Our support team will assist you throughout the process.
