INSTRUCTION MANUAL

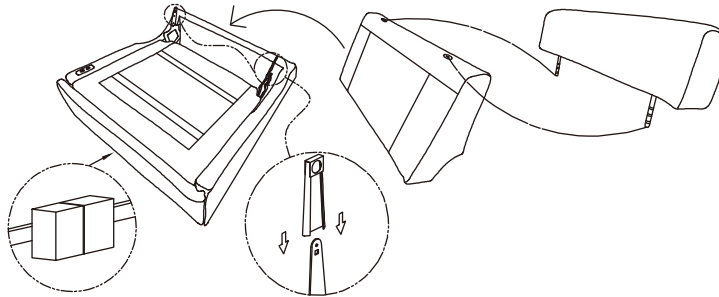

SSF8030

Ergopals Power Sofa

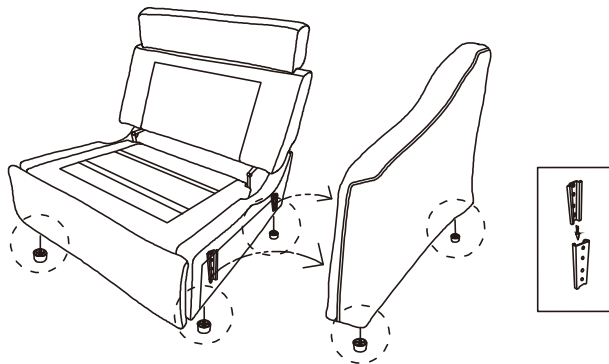

Blends ergonomic design with the idea of a caring
pal—a sofa crafted as your trusted partner for healthy
support and everyday comfort.

Installation in Just 3 Steps - Required 2 people for the assembly

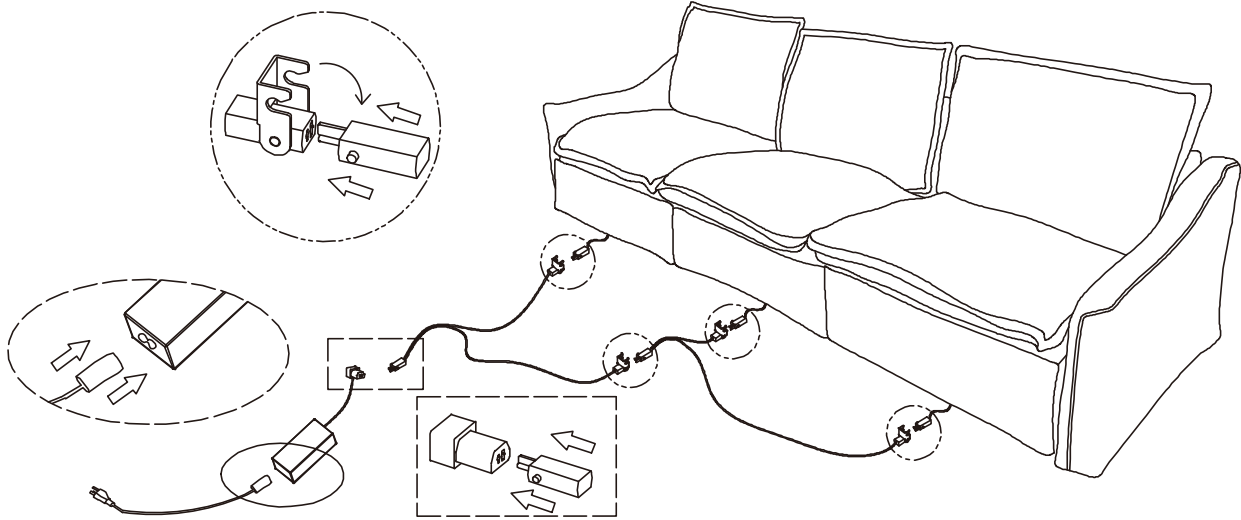

1. Untie the plastic knot and string at the package bottom to remove all parts, attach the backrest to the base, then attach the headrest to the backrest.

2. Install the support feet and connect each sofa module with clips for any size sofa.

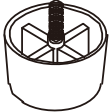

3. Connect the power cord.(The sofa module's power cord is located under the sofa.)

Notes:

1. Each unit connection method is the same for per modular sofa set. To purchase additional unit, please visit our website and search "SSF8030".
2. Please keep this manual safely for your convenience for future installations.
