

Assembly instructions

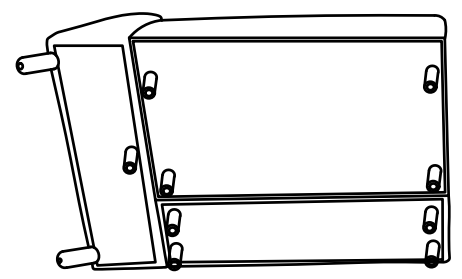

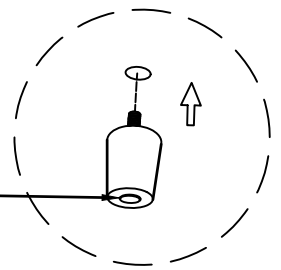

SF8277 Installation

The number of people needed for installation: 2

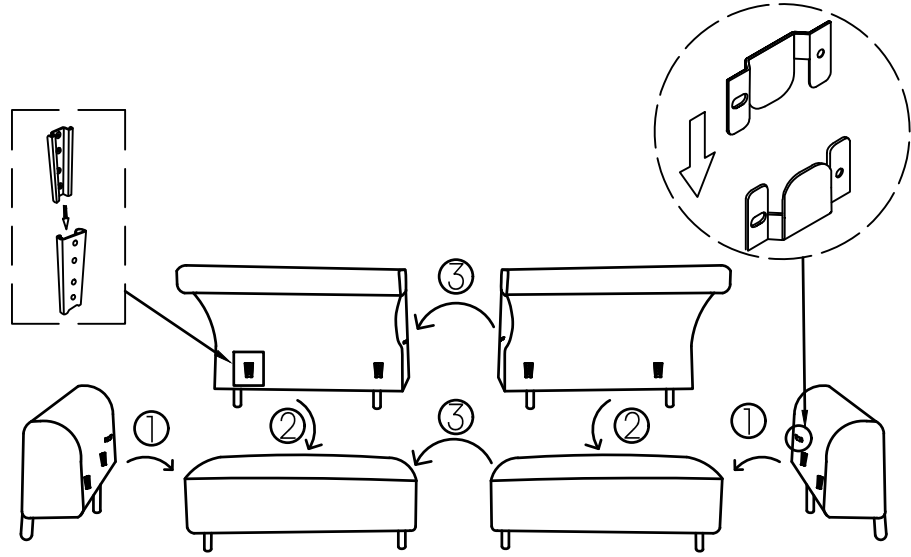

- ① Please read the manual carefully before installing this product. And strictly follow the installation process
- ② Please take good care of this manual for your next installation
- ③ Note: Before installation, screw all the screws to 1/2 of the length of the installation. After all screws are half screwed in, tighten them all together.

1. Attach the sofa legs to the bottom of the sofa

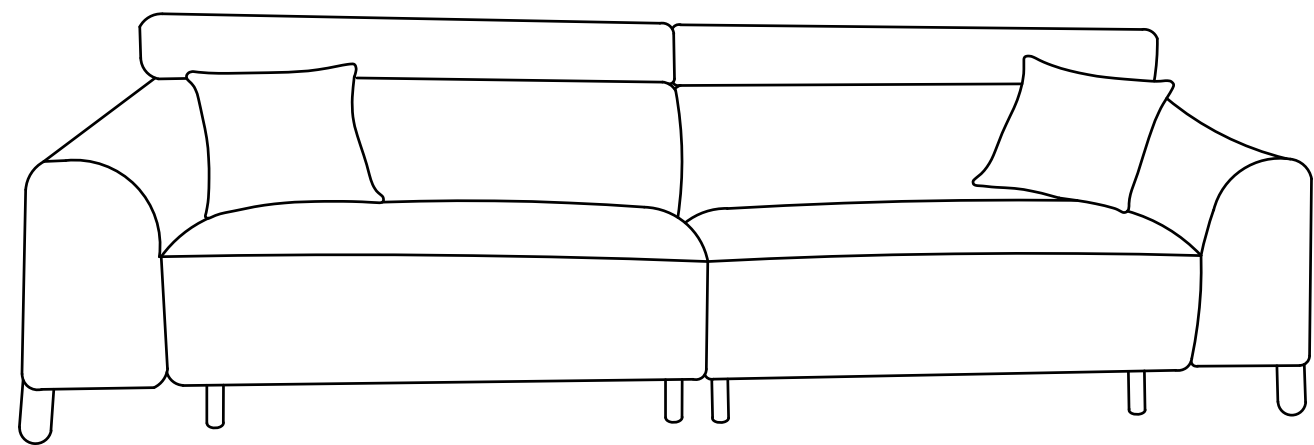

If the floor protector pad on the bottom of a support leg is lost or falls off, a replacement pad can be found in the accessory kit and adhered to the leg

2. Assemble all sofa components

3. The installation is complete
